Getting a tattoo is a big decision. It's not something you should do on a whim. If you're thinking about getting inked, there are a few things you should know first.

1. Tattoos are permanent.

Once you get a tattoo, it's there for life. There are no guarantees that you'll always love your tattoo, so it's important to choose a design that you're sure you'll be happy with for years to come.

2. Tattoos can be expensive.

The cost of a tattoo will vary depending on the size, complexity, and location of the tattoo. You can expect to pay anywhere from \$50 to \$500 for a small tattoo, and up to \$1,000 or more for a large, complex tattoo.

3. Tattoos can be painful.

Getting a tattoo can be painful, especially if you're getting it in a sensitive area. The pain level will also vary depending on your individual pain tolerance.

4. Tattoos can cause scarring.

In some cases, tattoos can cause scarring. This is more likely to happen if you have sensitive skin or if your tattoo is not properly cared for.

5. Tattoos can be infected.

If your tattoo is not properly cared for, it can become infected. This can lead to serious health problems, so it's important to follow your artist's instructions for aftercare.

6. Tattoos can be a health hazard.

If you have certain medical conditions, such as diabetes or heart disease, you may be at risk for health problems related to tattoos. It's important to talk to your doctor before getting a tattoo if you have any health concerns.

7. Tattoos can be addictive.

Some people find that getting tattoos is addictive. This is because tattoos can release endorphins, which have mood-boosting effects. If you're worried about becoming addicted to tattoos, it's important to set limits for yourself.

8. Tattoos can be a form of self-expression.

For many people, tattoos are a way to express themselves. They can be used to represent your personality, your beliefs, or your experiences. If

you're looking for a way to express yourself, a tattoo can be a great option.

9. Tattoos can be a form of art.

Tattoos can be beautiful works of art. They can be used to create intricate designs, realistic portraits, or abstract patterns. If you're looking for a way to add some art to your body, a tattoo can be a great option.

10. Tattoos can be a way to connect with others.

Tattoos can be a way to connect with others who share your interests. If you have a tattoo that represents your favorite band, for example, you may be able to connect with other fans of that band. Tattoos can also be a way to start conversations with strangers.

11. Tattoos can be a way to remember.

Tattoos can be a way to remember important people or events in your life. If you have a tattoo of your child's name, for example, you'll always have a reminder of your love for them.

12. Tattoos can be a way to honor.

Tattoos can be a way to honor someone who has passed away. If you have a tattoo of your grandfather's portrait, for example, you'll always have a reminder of his life and legacy.

13. Tattoos can be a way to heal.

Tattoos can be a way to heal from trauma or abuse. If you have a tattoo of a semicolon, for example, you may be a survivor of suicide. Tattoos can be a way to reclaim your body and your story.

14. Tattoos can be a way to empower.

Tattoos can be a way to empower yourself. If you have a tattoo of a strong woman, for example, you may be able to draw strength from her image. Tattoos can be a way to remind yourself of your own strength and resilience.
