

Days of Defeat and Victory: Jackson School Publications in International Studies

This book is a collection of essays by scholars in the field of international studies. The essays cover a wide range of topics, including the history of international relations, the causes of war, and the prospects for peace. The book is a valuable resource for anyone interested in understanding the complex world of international affairs.

The History of International Relations

The first section of the book provides a historical overview of international relations. The essays in this section trace the development of the modern state system, the rise of nationalism, and the two world wars. The authors also discuss the impact of technology on international relations and the challenges facing the global community in the 21st century.

The Causes of War

The second section of the book examines the causes of war. The essays in this section explore the role of human nature, economic inequality, and political ideology in the outbreak of conflict. The authors also discuss the impact of war on individuals, societies, and the environment.

The Prospects for Peace

The third section of the book considers the prospects for peace. The essays in this section explore the role of international law, diplomacy, and education in promoting peace. The authors also discuss the challenges facing the international community in achieving a more just and peaceful world.

This book is a timely and important contribution to the field of international studies. The essays provide a comprehensive overview of the history of international relations, the causes of war, and the prospects for peace. The book is a valuable resource for anyone interested in understanding the complex world of international affairs.
