"The Patrols of America's Most Famous World War II Submarine" is a captivating account that takes you inside the claustrophobic confines of the Tang as she prowled the treacherous waters of the Pacific. Through firsthand accounts, official records, and meticulously researched details, this book provides an immersive experience into the lives and sacrifices of the brave crew who served aboard her.

### **A Lethal Hunter in Enemy Waters**

Commanded by the enigmatic and brilliant Lieutenant Commander Richard O'Kane, the Tang conducted 17 daring patrols, sinking 33 enemy vessels totaling over 230,000 tons. These victories transformed the Tang into a feared adversary among the Japanese, who dubbed her the "Devil Boat."

The book vividly recounts the Tang's most famous patrols, including her audacious attack on the Kure Naval Base in March 1945. This daring raid resulted in the sinking of the 7,800-ton cruiser Idzumo and the destruction of naval facilities that crippled Japanese shipbuilding efforts.

## **Life Aboard the Tang**

Beyond the gripping combat narratives, "The Patrols of America's Most Famous World War II Submarine" offers a fascinating glimpse into the daily life of the Tang's crew. From their cramped quarters and monotonous routines to the moments of terror and exhilaration in battle, the book paints a vivid tapestry of their experiences.

Readers will encounter the larger-than-life characters who manned the Tang, including the enigmatic O'Kane, the skilled torpedo officer Frank "Red" Dwyer, and the resourceful Chief Engineer Bill Erwin. Their stories of courage, camaraderie, and the indomitable human spirit will leave a lasting impression.

## **A Legacy of Sacrifice and Triumph**

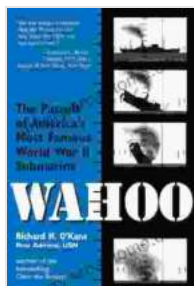

Tragically, the Tang's illustrious career came to an abrupt end on October 25, 1944. After sinking the Japanese destroyer Maikaze, the Tang was torpedoed by another Japanese destroyer and lost with all hands.

The sinking of the Tang sent shockwaves throughout the U.S. Navy and the nation. O'Kane was posthumously awarded the Medal of Honor, and the Tang's legacy continues to be honored to this day.
