Written by two of California's most experienced fly fishermen, Fly Fishing California is the definitive guide to the Golden State's best trout waters. This book provides everything you need to know to plan a successful fly fishing trip, including:

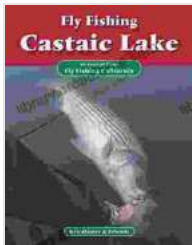

- Detailed maps of the state's best trout streams and rivers
- Hatch charts for every major trout-producing river in California
- Proven fly patterns for all of California's major trout species
- Insider tips on where to find the biggest and most cooperative trout

Whether you're a beginner or an experienced angler, Fly Fishing California will help you catch more trout in the Golden State.
