By [Author's Name]

In IDD, [Author's Name] shares their personal and often humorous stories of living with cerebral palsy, a disability that affects their movement and speech. Through their experiences, they offer a unique perspective on the challenges and triumphs of living with a disability, as well as the ways in which the system often fails people with disabilities.

With wit and candor, [Author's Name] recounts the challenges they have faced throughout their life, from the everyday frustrations of navigating a world that is not designed for people with disabilities, to the more serious issues of discrimination and ableism. They also share their experiences of finding love, pursuing their education, and advocating for themselves and others with disabilities.

IDD is a powerful and moving memoir that will resonate with anyone who has ever felt different or marginalized. It is a story of resilience, determination, and the importance of speaking out against injustice.
