

Mississippi Witness: The Eye-Opening Photographs of Florence Mars

Florence Mars was a pioneering photojournalist whose work played a vital role in documenting the Civil Rights Movement in Mississippi. Her powerful and poignant images captured the everyday struggles and triumphs of the people of Mississippi, and they remain a valuable resource for understanding this important period in American history.

Mars was born in New York City in 1923. She began her career as a photographer in the 1940s, working for various magazines and newspapers. In 1962, she moved to Mississippi to cover the Civil Rights Movement for the Student Nonviolent Coordinating Committee (SNCC). Mars's photographs from Mississippi are some of the most iconic images of the movement. They capture the violence, the protests, and the everyday lives of the people who were fighting for their rights.
