- **Layers:** Layering is key to creating a stylish and functional fall outfit. Start with a base layer of a tank top or camisole, then add a sweater,

cardigan, or jacket. You can also add a scarf or hat to complete your look.

Fall Beauty Trends

Fall is also a great time to update your beauty routine with new trends. This season, we're seeing a lot of natural looks, as well as bold lips and smoky eyes.

- **Natural Looks:** This fall, the focus is on natural beauty. Use light makeup to enhance your features and give yourself a healthy glow. Choose a foundation that matches your skin tone and use a concealer to cover up any blemishes.
