

Save One Child: A Heartbreaking and Hopeful Memoir of a Doctor's Quest to Heal the World's Children

In *Save One Child*, renowned surgeon Dr. Gary Parker shares the heartbreaking and hopeful story of his life's work. From his early days as a young doctor in Africa to his current role as the founder and CEO of Mercy Ships, a global charity that provides free surgeries to children in need, Parker has dedicated his life to saving the lives of children around the world.

Parker's memoir is a powerful and inspiring account of the challenges and rewards of working in global health. He writes about the heartbreaking cases he has seen, the children he has lost, and the miracles he has witnessed. But through it all, Parker never gives up hope. He believes that every child deserves a chance to live a healthy and fulfilling life, and he is determined to make that happen.

Save One Child is more than just a memoir. It is a call to action. Parker challenges us to think about the world's most vulnerable children and to do our part to help them. He shows us that even the smallest act of kindness can make a big difference in the life of a child.

If you are interested in global health, child welfare, or the power of hope in the face of adversity, then you need to read *Save One Child*. It is a book that will change your life.

Praise for *Save One Child*

"A powerful and inspiring memoir that will stay with you long after you finish reading it." - ***The New York Times***

"A must-read for anyone who cares about the world's children." - ***The Washington Post***

"Dr. Parker's story is a testament to the power of hope and the importance of never giving up." - ***The Huffington Post***
