In 2024, I embarked on a life-changing journey: a thru hike of the Appalachian Trail. As a frogman, I brought a unique perspective to this epic adventure, and I am thrilled to share my story and the stunning visual account of my experience in my new book, *The Frogman Chronicles*.

Over 1,000 color photographs capture the breathtaking beauty of the trail, from the lush forests of Georgia to the rugged peaks of Maine. I share my personal narrative, recounting the challenges I faced, the friendships I made, and the transformative experiences that shaped me along the way.

The Appalachian Trail is a physical and mental challenge like no other. It is a journey of self-discovery, resilience, and perseverance. Through my photographs and words, I hope to inspire others to embrace their own adventures, no matter how big or small.

The Frogman Chronicles is more than just a hiking guide. It is a celebration of the natural world, a testament to the human spirit, and a visual masterpiece that will transport you to the heart of the Appalachian Trail.
