The murders occurred on September 16, 1922, in the parsonage of the First Presbyterian Church in New Brunswick. Hall and Mills were both found dead in the parsonage basement, with multiple gunshot wounds to the head. The murders were particularly gruesome, and the crime scene was described as "a slaughterhouse." There were no witnesses to the murders, and the police were unable to find any evidence of a motive. The case remains unsolved to this day.

The Hall Mills Murder Case has been the subject of much speculation and debate over the years. There have been numerous theories about who committed the murders, but none of them have ever been proven. Some people believe that the murders were committed by a jealous lover, while others believe that they were committed by a group of criminals. There have even been some people who believe that the murders were committed by the Ku Klux Klan.

The Hall Mills Murder Case is a fascinating and complex case that has captivated the American public for nearly a century. The case is a reminder of the darkness that can lurk beneath the surface of even the most ordinary communities. It is also a reminder of the power of the media to shape public opinion. The Hall Mills Murder Case is a true crime classic that will continue to be debated and discussed for years to come.

The Victims

The Reverend Edward Wheeler Hall was born in 1873 in New York City. He was the son of a Presbyterian minister, and he followed in his father's footsteps by becoming a minister himself. Hall was a popular and well-respected minister, and he was known for his progressive views on social issues. He was also a strong advocate for women's rights.

Eleanor Mills was born in 1886 in New Brunswick, New Jersey. She was the daughter of a wealthy family, and she was educated at a private school. Mills was a talented singer, and she was a member of the choir at the First Presbyterian Church in New Brunswick. She was also a popular figure in the community, and she was known for her beauty and her charm.

Hall and Mills began an affair in 1921. The affair was scandalous, and it caused a great deal of gossip in the community. However, Hall and Mills continued to see each other in secret. On September 16, 1922, Hall and Mills were found dead in the parsonage of the First Presbyterian Church. They had both been shot multiple times in the head.

The Investigation

The police investigation into the Hall Mills Murder Case was one of the most extensive and expensive in New Jersey history. The police interviewed hundreds of witnesses, and they followed up on numerous leads. However, the police were unable to find any evidence of a motive for the murders. They were also unable to identify any suspects.

The case was eventually closed in 1929, but it was reopened in 1930 after new evidence was discovered. The new evidence included a letter that was allegedly written by Hall to Mills. The letter contained incriminating information about Hall, and it led the police to believe that he had murdered Mills. However, the letter was later proved to be a forgery, and the case was closed again.

Theories

There have been numerous theories about who committed the Hall Mills murders. Some people believe that the murders were committed by a jealous lover. Others believe that they were committed by a group of criminals. There have even been some people who believe that the murders were committed by the Ku Klux Klan.

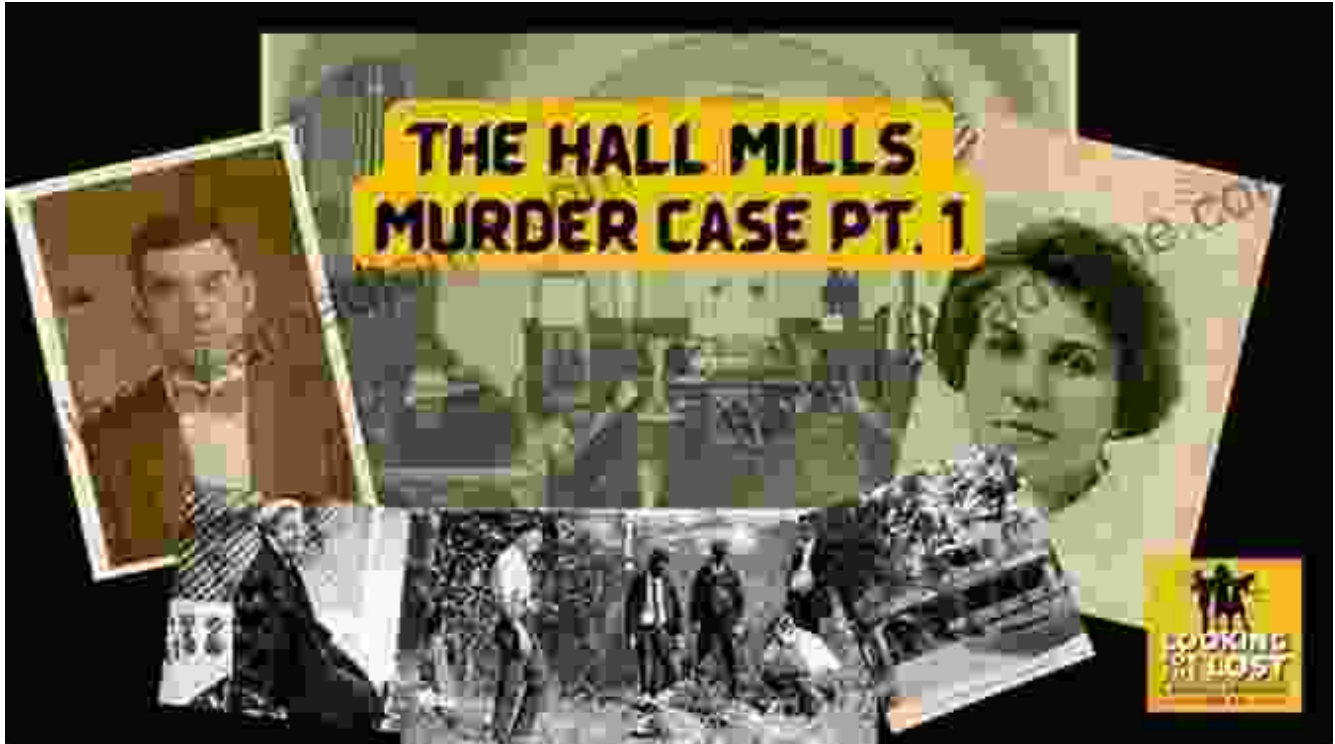

One of the most popular theories is that the murders were committed by James Cannon, Jr., a wealthy businessman who was romantically involved

with Mills. Cannon was a suspect in the murders from the beginning, but he was never charged with a crime. Cannon died in 1972, and his involvement in the case remains a mystery.

Another popular theory is that the murders were committed by members of the Ku Klux Klan. The Klan was a white supremacist organization that was active in New Jersey in the 1920s. Some people believe that the Klan murdered Hall and Mills because they were interracial lovers. However, there is no evidence to support this theory.

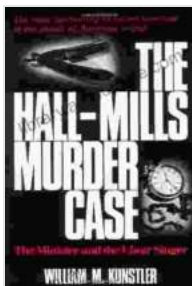

Legacy

The Hall Mills Murder Case is one of the most famous unsolved murder cases in American history. The case is a reminder of the darkness that can lurk beneath the surface of even the most ordinary communities. It is also a reminder of the power of the media to shape public opinion. The Hall Mills Murder Case is a true crime classic that will continue to be debated and discussed for years to come.
