Enhance Lighting and Ambiance

- **Install Pendant Lighting:** Create a more inviting atmosphere with pendant lighting. Choose from various styles and materials to match

your kitchen's decor and provide ample task lighting.

- **Create a Backsplash:** Add a pop of color and protect your walls with a DIY backsplash. Choose from a variety of materials, such as tile, glass, or beadboard, to personalize your kitchen.

A backsplash transforms your kitchen, adding visual interest and protecting your walls from spills and splatters.
