### **Chapter 1: The Early Years**

Chester Bennington was born in Phoenix, Arizona, on March 20, 1976. He was the youngest of four children. His parents divorced when he was 11 years old, and he was raised by his mother. Bennington had a difficult childhood. He was bullied at school and struggled with depression and anxiety.

Bennington found solace in music. He started singing in choirs at a young age, and he began writing songs in his early teens. Bennington also played the drums and guitar. He was a natural performer, and he quickly developed a following.

### **Chapter 2: Linkin Park**

In 1996, Bennington joined the band Xero, which would later become Linkin Park. The band released its debut album, *Hybrid Theory*, in 2000. The album was a huge success, selling over 10 million copies worldwide. Linkin Park became one of the most popular rock bands in the world.

Bennington was the lead singer of Linkin Park for 17 years. During that time, the band released seven studio albums, two live albums, and two compilation albums. Linkin Park also won two Grammy Awards and sold over 50 million albums worldwide.

### Chapter 3: Dead by Sunrise

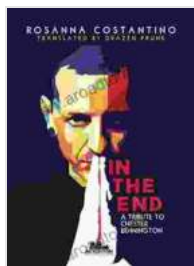

In 2009, Bennington formed the band Dead by Sunrise. The band released its debut album, *Out of Ashes*, in 2009. The album was a commercial success, selling over 1 million copies worldwide.

Dead by Sunrise released its second album, *Amorphous*, in 2012. The album was not as commercially successful as the band's debut album, but it was still well-received by critics.

### Chapter 4: Stone Temple Pilots

In 2013, Bennington joined the band Stone Temple Pilots as their lead singer. The band released its self-titled album in 2018. The album was a commercial success, selling over 1 million copies worldwide.

Bennington toured with Stone Temple Pilots for two years. He left the band in 2015 to focus on his family and his solo career.
