

Windows On The World: Fifty Writers, Fifty Views

In a world that is increasingly interconnected and interdependent, it is more important than ever to understand the perspectives of others. *Windows On The World* is a collection of fifty essays by some of the world's most celebrated writers. Each essay offers a unique perspective on the world, from the personal to the political, the historical to the contemporary. This book is a must-read for anyone who wants to understand the complex and ever-changing world we live in.
